

New Kingdom Trailriders Scholarship Requirements

New Kingdom Trailriders (NKT) services the greater Quad City area and surrounding communities by empowering children, adults, and military veterans facing physical, mental, social and emotional challenges to create active healthier, and more fulfilling lives through equine-assisted activities.

NKT does everything possible to provide lessons to all individuals in need, including helping to find recourses for payment as well as providing scholarships to qualifying participants.

Six (6) of those scholarships will be awarded directly to individuals who apply by the session one due date and are applying for all six sessions. The other six (6) scholarships will be awarded to individuals on a session-by-session basis.
